[not aware of or not concerned about what is happening around one]

We live in a strange world where everyone wears a mask
We live in a strange world where everyone is like a puppet
We live in a strange world where no one is themselves
We live in a strange world where no one cares
We live in a strange world where we think we can buy our way through life
We live in a strange world where we pretend everything is fine
We live in a strange world where I am scared to go to school, fearing judgment
We live in a strange world where we don't know if we will be here in a hundred years
We live in a strange world where we live in fear.
We live in a strange world where hate tears at our souls like wolves do to deer.
We live in a strange world
