

Written from the perspective of a glass: full, half, or spilled, with its emotions and favorite beverages

I am a glass cup.

I like to be filled with: water, milk, smoothies, and soft serve ice cream.

I prefer to be used in: exercise, breakfast, lunch, dinner, and for movies.

The things I worry about are: cats spilling me, cats knocking me over, people knocking me over, and people spilling me.

All of those could break me.

I also OH SHOOT!!!!!!

THE CAT IS COMING!!!!!!!!!!!!!!

“PLEASE DON’T SPILL ME OR KNOCK ME OVER CAT.

THIS IS FOR KK kitten, NOT FOR THE CAT.

NO NO.

NO NO NO NO.

NO NO NO NO NO NO!!!!!!”

Splash!!!!

I wish KK kitten didn’t fill me with milk.

Good thing I didn’t break.

“KK kitten!!!!

The cat drank your milk!!!!”

I think this is what he heard:

“

“

Yeah.

I’m pretty sure because he didn’t do anything.

Too bad for him!

Oh.

And me because I’m on my back.

Errraaaaaa!!!!!!!!!!

Trying to get up!!!!

Oh.

I forgot I don't have arms again.

I thought I had arms because KK kitten does and the cat has front paws.

I think I’m stuck.
